Invitation

**Austria for beginners:
Opportunities for expanding your business
in Carinthia|Austria.**

The objective of this seminar is to give an overview of Austria as a business location with a special focus on Carinthia for Slovenian companies with the intent to expand abroad.

Austria and its southernmost region Carinthia are innovative locations which offer attractive opportunities and advantages to companies:

- An attractive and rich internal market with a GDP/capita of EUR 36,980
- A good starting point for expansion to German speaking markets
- A modern and flexible labour law
- High stability and legal certainty with low bureaucracy
- Attractive incentives for investments in production and research and development
- Research premium of 12 percent for research and development
- Modern hightech centres & industrial parks
