

INVITATION: BUSINESS BRUNCH

Innovation@Austria? **Invest in the** **technology** **HotSpot Carinthia.**

Wednesday, 29 November 2017

Four Points by Sheraton, 10.00 am

Ljubljana

The event offers to Slovenian companies interested in expanding abroad an overview of the business location Austria - with a special focus on the technology and innovation hub Carinthia.

International companies profit from:

- a good starting point for expansion to German speaking markets
- a modern and flexible labour law
- high stability and legal certainty with low bureaucracy
- modern high tech centres and industrial parks
- attractive incentives for R&D (up to 60%)
- research premium of 12% for R&D (to be raised to 14%)
