Do you think about taking your company abroad?

Are you looking for a business location that offers you an international environment, easy access to capital and a gateway to the largest markets in Western Europe? A country with a strong economy that provides stability and security, high productivity and a highly qualified labor force?

Austria might be the right place for you!

It offers

- Business location in the center of Europe
- Transparent legislation
- High level of legal certainty and personal security
- High level of investment and copyright protection
- Excellent R&D environment
- High quality of life

Join us and learn how to use Austria and Vienna as a hub for successfully expanding internationally! Experts from **ABA – Invest in Austria** and the **Vienna Business Agency** offer their know-how and support throughout the whole process of setting up your business in Austria.

We are looking forward to meeting you at our event!
